A New Year. A Renewed Purpose.

Looking back with gratitude • Moving forward with purpose

♥ A Word from Our Director

Hello MDADC Family!

As we begin a new fiscal year, I am filled with gratitude for our participants, caregivers, staff, and community partners.

October is a time to celebrate how far we have come and to look ahead with renewed purpose. Together, we are creating meaningful days filled with connection, learning, laughter, and love.

Thank you for being part of our MDADC family. Let's continue to make a difference—one day at a time!

📖 The Daily Connection

Purpose Inside the Center

Our Daily Connection brings together faith-centered encouragement, reflection, conversation, and cognitive engagement. A song, picture, question, Scripture, or word game can become an opportunity for memory, communication, and meaningful connection.

Small moments make a big difference. ♥

MDADC Connect

The At-Home Activity Experience

MDADC Connect is the at home activity experience while staying in touch with the similar activities being held inside the center.

Participants can enjoy memory, word, matching, thinking, and other engaging activities from home—extending the MDADC experience beyond the program day.

♥ Why Adult Day Services Matter

Caregiving can be rewarding, but it can also be challenging. Adult day services offer a safe, supervised daytime setting where adults can socialize and participate in structured activities while caregivers have time for work, appointments, or simply a well-deserved break.

"Caring for yourself helps you be your best for the ones you love." ♥
